I, the undersigned, declare that:			
- These cattle are accompanied by valid passports and follow all required tagging legislation, prior to arrival.			
- My holding regularly receives animal health visits from a veterinarian for the purpose of the detection of, and information on, signs indicative of the occurrence of diseases.			
- Cattle on the holding are not under any movement restrictions for any animal diseases or public health reasons (excluding 6 day standstill).			
- Withdrawal periods have been observed for any medical treatments the animals may have received.			
- Animals are not showing any signs of disease or condition which may affect the safety of the meat.			
- No samples taken from the animals have shown any sign of a disease or condition which may affect the safety of the meat, or signs of any substances which are likely to result in residues in the meat.			
- I am not awaiting the results of samples taken from any of the animals.			
- To the best of my knowledge the livestock supplied are not cloned animals or first-generation offspring of cloned animals.			
- There are no pregnant females where more than 90 percent of the expected gestation period has passed.			
- None of the cattle on this consignment have been fed with anti-microbial growth promoters, fish meal or animal by-products and none will present a food safety risk eg. contain broken needles or microchips.			
- For Grain/corn fed cattle, feed used must be produced according to all applicable regulations.			
- All cattle comply with the Pickstock clean livestock requirements.			
Breed Declaration: I declare that the cattle, marked appropriately overleaf, are sired by a registered bull relevant to the breed scheme that the cattle are intended for. I understand that if any cattle not marked and sired accordingly will be slaughtered as non registered cattle.
